TRANSMITTAL

Honorable Commissioner of
Patents and Trademarks
ATTN: Box PCT
Washington, D.C. 20231

Sir:

Further to the Request and above-referenced International Application filed on 4 June 1996, Applicant respectfully requests that the attached "Transmittal" be matched with and incorporated within this application.

The Transmittal provided herewith contains the Request for Foreign Filing License, and it was inadvertently omitted from the application package submitted on 4 June 1996. As stated in the attached Transmittal, there are numerous additions throughout the Specification in relation to the priority application.

As the Request filed in this application on 4 June 1996 included a request for the preparation of the certified copy of the priority application by the United States Patent and Trademark Office and the check provided therewith included \$15 for the certified copy, it is believed that the present submission does not require the payment of any fee. If this is

incorrect, however, please charge any necessary fee to Deposit
Account No. 07-1969.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Donna M. Ferber', written over a horizontal line.
